(E12 - GR 92) From Colera to Llançà

(OT Llançà)

Walk between coves, bunkers and protected natural areas of the Amunt Sea

Walk between creeks, bunkers and terraced landscapes of dry stones in protected natural spaces. Ideal for families, connecting two municipalities that have a long fishing tradition and that share the landscapes of the Amunt Sea

Altimetric profile

Min elevation 0 m Max elevation 71 m

1. From the town hall, get off at Pi Maragall square, and follow the chemin dels Horts towards the sea, turn right, rue Escorxador and cross the stream, where the departure of the GR-92 is indicated until Llança.
2. Follow the path, leave the sea always on your left until you reach the Col de Sant Antoni, and cross the N-260.
3. Follow the path on the right side of the railway to the Garbet torrent bridge, cross the railway and the Ctra N260 through the torrent to Garbet beach, one of the most emblematic points of the municipality, where you can see the Garbet vines
4. Continue along the coast to Cap Ras, at the beach "del Burro" (nudist area), cut by the right path and climb until you reach the beach "del Rastell".
5. Follow the coast line from Rastell Beach to Grifeu Beach, which is distinguished by its fine sand and its popularity.
6. Follow the coastline to Argilera Beach, where there is a Franco era bunker. There, there is a lounge chair, from where you can enjoy a view of the Amunt Sea and Cap de Creus.
7. From the Sant Carles del Port de Llançà pier, follow Passeig Maritim in a southerly direction to the Port Tourist Office.
