Royal Castle of Collioure (A)

Built in the 13th century to house the court of the Kings of Majorca, the Royal Castle of Collioure has been listed as a historical monument since 1922. Reinforced many times, the castle eventually pushed the city back to the foot of the cape turned into a citadel in the 17th century. It is inseparable from Collioure as the city can not be separated from the sea. To return to the heart of the world of the Royal Castle of Collioure, do not forget the guided tours!
