From Port-Vendres to Collioure passing through Fort Saint-Elme.

Côte Vermeille

(Elisabeth Coste)

Bucolic gardens, schist stone walls, mill and fort nestled between two gems of the Vermilion Coast, Port-Vendres and Collioure. All with magnificent views.

A family-friendly walk connecting the towns of Port-Vendres and Collioure, featuring notable points of interest and stunning views of the sea. The Fort Saint-Elme presides over the garrigue landscape. Don't hesitate to visit the Modern Art Museum of Collioure

Useful information

Practice : Hiking

Duration : 2 h 54

Length : 7.7 km

Trek ascent : 361 m

Difficulty : Medium

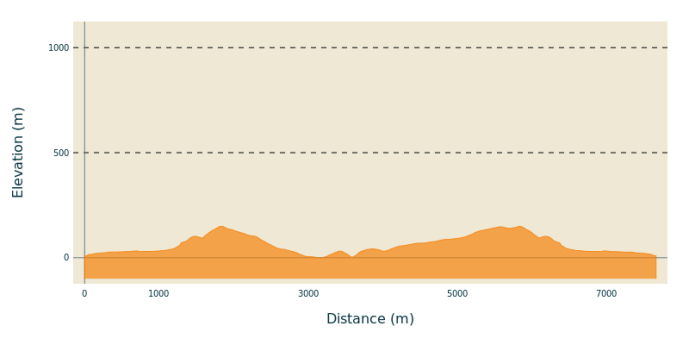

Type : Boucle

Themes : Flora, Point de vue, Architecture, Géologie, Histoire, Art, Littoral, Patrimoine

Trek

Zone Natura 2000 Directive oiseaux

On your path...

Collioure Mill (A)

This windmill is quite rare in the area, most of which are water mills. It ceases its activity in the nineteenth century and gradually turns into ruins. Perfectly restored in a traditional way by the municipality in 2001, it is now in working order for the elaboration of Collioure olive oil. Near the city, it is a perfect destination for a nice little walk.
