The Grand Tour of Val de Pintes or Water Path

Côte Vermeille

(Evasion66)

A walk along the buried water pipes, dating back to 1890. These pipes connected the water sources of Port-Vendres and supplied the municipality for over a century. Stunning viewpoints of Port-Vendres and Collioure.

This route also allows you to discover a rich military heritage and the vineyards above Port-Vendres.

Fort Dugommier (A)

Fortress built to monitor the towns of Collioure and Port-Vendres, Fort Dugommier was born in 1893. Because of its strategic location, it sweeps the coast of the eye. However, the Second World War did not spare him by destroying a large part of the fort. He now belongs to an association. Walk pleasant, but beware of the wind because there, it blows!
